Introduction

“Every man wants to have sex” is one of the best lessons my father in the faith, Pastor Bradshaw, taught me. As an 18-year-old single mother, I didn’t understand it. However, as I got older and began to believe God to bless me with my husband, it made sense. With the understanding that all men want to have sex, it was clear to me in my dating journey that I must take my cookie off the table.

“*Take Your Cookie off the Table*” is a revolutionary and life-changing truth that every father, older brother, uncle, and grandfather should tell every young woman in their family. And for those of us who are older, the men in our families should have informed us that all men want to have sex. Therefore, we must take our cookie off the table and not dish it out like government cheese.

Take Your Cookie off the Table Devotional is a 50-day devotional guide to help women who are serious about dating differently. Of course, a crucial part of dating differently is taking your cookie off the table. But, to take your cookie off the table, you must discipline yourself. And to discipline yourself, you must renew your mind.

Shockingly, most women do not understand that having sex with a man doesn’t necessarily mean he loves you. Instead, as my father told me, every man a woman has sex with that is not her husband has conquered her.

What do you mean by “conquered” Janice? Well, my father, Pastor Bradshaw, would always say, “Janice, don’t be another notch on a man’s belt.” Being young, I didn’t understand it, but as I got older, he explained

it better. Sex to a man is like a trophy, an award, or notches on his belt. Therefore, do not be another notch on a man's belt.

Picture a belt with its notches. Every time a man sleeps with you, he's adding another notch on his belt. He can walk away freely, but you're left with a soul tie, demon, baby, or even an STD. Sadly, many women sleep with men because they want them to love them, be with them, or marry them. However, many men use women for their satisfaction and as a toilet. And to the dismay of many women, those men never marry them.

So, ladies, it's time for you to wise up and **TAKE YOUR COOKIE OFF THE TABLE!** Please stop giving away your most prized possession to men who have not earned it by marrying you. So, if you are a woman who wants to get married and you've been dishing the cookie out to every man you date, it's time for you to go on a cookie fast. Additionally, you must renew your mind about **TAKING YOUR COOKIE OFF THE TABLE!**

Therefore, for the next 50 days, I encourage you to go on a fast of taking your cookie off the Table. *Take Your Cookie off the Table Devotional* is your opportunity to renew your mind, thoughts, and understanding of God's will for your cookie.

The power is in your cookies, ladies. Because taking your cookie off the table is not about the men you date but about your love for yourself. Additionally, taking your cookie off the table is about you honoring and loving God in your body.
